

Consensus Questions Response Ballot for Individual Members
(LWVMN Firearms in Minnesota 2022 Study)

Your Name _____

Your local league _____ Date _____

For background to these questions, please read the LWVMN Firearms in Minnesota 2022 study report. The page number after each consensus question indicates where to find that topic in this report.

For each of the eight questions below, please indicate your preference by circling “yes”, “no” or “abstain”. Please share any comments that would help the Firearms Study Committee determine the reasons for your support, opposition or abstention to each of the questions. LWVMN may develop a new position statement based on responses to each of the consensus questions.

1. Should Minnesota enact Extreme Risk Protection Order (ERPO) laws, also known as Red Flag laws? (See page 12.)

_____Yes _____No _____Abstained

Comments: _____

2. Should Minnesota provide funding for community-based violence intervention (CVI) programs and strategies? (See page 12.)
